~ Enjoying the Moments ~ *Bring in Spring*

Thank you to all who joined us in the celebration of our Millennium Club's 20th birthday. It was fun to visit the downstairs of the Carnegie Building and walk through historical Iowa Falls, see the Pat Clark art and the newly restored artwork donated by Dr. Ellsworth, tour the Dow House and have refreshments in the IF Community Theater. We even were able to watch quilters in action. Our Ladies Valentine Brunch brought out 38 ladies to our bank board room to visit with friends and learn about the Lighthouse Center of Hope. I believe this was an eye opener for all of us as we heard about the diversity of needs that are being met through this outreach center.

Traveling in a group can be lots of fun, so please give our club a try if you haven't joined us on a day trip yet or for a while. We learn and experience so many wonderful things and make a lot of lasting memories. We have planned a variety of activities for 2020. Carefully read through this newsletter and join us. I hope these things will give you something to look forward to. I can't wait to hear from each one of you as you call to make your reservations.

Sincerely,

Kathy Bengtson

Miracle on 34th Street Thursday, December 10th
